Hey Haunted Denver Fans,

This is one of the best seasons for haunted house fans that we've seen in years! Attractions all over Denver have obviously worked overtime to reach their full potential, and it's reflected in the final product. Our critics have awarded some of the highest scores in Haunted Denver's history. There are three (count 'em, three!) attractions who scored 10 out of 10 this year! And more than half of the attractions scored at least an 8 or better.

If you haven't had a chance to get out to many haunts yet, now's the time to go! And as always, we're here to give you some tips to help you decide on a haunt that you'll be sure to enjoy.
